

## Face Shields (protective medical spray masks) for Limited Use

Face Shields (protective medical spray masks) for limited use are fabricated in our Dallas, TX facility. These PPE face shields are ready for immediate shipment to hospitals and medical care facilities in Texas, New York and Nationwide.

Please place your bulk orders quickly to secure consistent access to the critical medical supplies. Professional Plastics is committed to supplying our customers with quality products at a fair price, and prompt delivery to support efforts to contain the COVID 19 coronavirus epidemic.

These PPE face shields are available to hospitals, urgent care centers, EMT's, nursing homes, and palliative care facilities. We also accept orders from Federal, State and Local government procurement offices.

- These masks are more economical than other PPE face shields, and are available quickly.
- We also have the ability to ramp-up production for large production orders.
- Made in USA
