

MaxBullet® Strip Door Mounting Systems

The exclusive MaxBullet® hardware combined with our Clear-Flex® II strips provides you the most energy-efficient, time-saving strip door on the market. The MaxBullet's unique bullet-shaped locking feature allows for easy strip snap-on/snap-off installation yet stays securely in place for heavy-duty daily use.

[Download installation manual \(PDF\)](#)

When it comes to savings, MaxBullet® offers you maximum benefits.

- Reduce installation times**

by as much as 75% and replacement strip time by as much as 90%!

- Increase employee safety**

employees don't have to juggle tools on a ladder to place strips.

- Increase visibility**

The Max is so simple and cost-effective to use. Strips may be replaced more often, increasing visibility.
