

P-CUP

URINARY RETRIEVER

CANINE URINE COLLECTION MADE EASY

Collecting a reliable urine sample from your dog is easier than ever with the P-Cup from Professional Plastics. The unique design allows you to keep your distance and painlessly slide the device beneath your pet when nature calls. With a flexible, reusable 19" metal handle that holds a sterile plastic dish, the P-Cup takes the hassle and mess out of the process.

Clean. Simple. Stress-Free.

- Safe & easy urine retrieval
- Works for dogs of all sizes
- Non-invasive, does not startle the dog
- Perfect for at-home testing or transporting to your vet
- Detachable cup keeps specimen sanitary
- Veterinarian recommended
